

CHAPA's 2025 Housing Summit

The path to 222,00 homes. Scaling innovative housing solutions to build more, faster.

Are you passionate about creating real solutions for housing in Massachusetts? Don't miss this exclusive opportunity to connect with more than 400 industry leaders, changemakers, and advocates dedicated to expanding affordable housing development to achieve the collective goal of 222,000 homes by 2035.

At **CHAPA's 2025 Housing Summit**, you'll engage in powerful discussions, network with top professionals, and explore innovative strategies for scaling successful housing developments and increasing the region's housing supply. We will feature case studies, practical examples, and expert insights on building more housing efficiently while setting a clear course toward meeting the state's ambitious housing goals.

If you are a developer, investor, architect, policymaker, CDC leader, or advocate, this event is your chance to be part of the movement shaping and scaling the future of affordable housing in Massachusetts.

Come for the insights—stay for the connections that will drive real change.
